Gear and clothing list for snowcat skiing in Priiskovoe, Siberia.

We advise you to carefully read the following list. You will not be able to buy or rent the equipment on the spot (except limited quantity of skis/snowboards), so do bring everything with you. If you have any questions about equipment or items on (or not on) this list please don't hesitate to e-mail and ask our advice.

Ski rental. We have few pairs of powder skis for rent. Please, check the details by contacting us.

Please, service your skis or board before arrival, or bring pocket waxes. In the lodge, we have some repair parts and tools to fix the most common problems which might arise.

Here is an example of set of clothes that we recommend. You can change it according to your preferences, but be sure that your clothes suit the weather and temperature during your trip.

Clothing:

- Heavy/mid weight socks - 2-3 pairs.
- Base Layer Top and Bottom, warm – 2 pieces each.
- Mid-Insulation Layer Top - Polartec 100 or analog.
- Warm jacket – Synthetic or down.
- Weather Layer Top - Gore-Tex or other waterproof jacket (insulated or not).
- Weather Layer Pants - Gore-Tex or other waterproof pants (insulated or not).
- Down jacket warm to minus 25-30°C.
- Hats
- Insulated gloves/mittens - 2 pairs
- High snow boots

Ski gear:

- Skis or Snowboard. We recommend skis 110mm underfoot or wider.
